

TODAY'S SPEAKER

SAM PERRY

Senior Director of Campuses

StoneWater Church

Founder – BackPorch Ministries

Sam Perry has been in ministry for more than 30 years since his days at Baylor; starting with Worship Music Ministry. For a few years he was on the road leading worship at conferences, youth camps, revivals and retreats around the nation; eventually forming his own band. He was also involved in national collegiate events. Leaving the road in '99, Sam has served at churches in Texas and Louisiana. During those years, God gave him a heart for Leaders who were wounded. Life's problems happen to everyone, and often-times, the Church and Believers are not sure what to do with Ministers when they hurt.

In 2016, Brother Perry and his family moved to Granbury to launch a ministry to Ministry Leaders called BackPorch Ministries. (BPM). For a season he was an interim Worship Pastor in Weatherford, but, as of last Fall, plans are now moving ahead for BPM; while also serving as the Senior Director of Campuses at StoneWater Church.
